

The Conference Program is available now!:

29th FINETECH JAPAN (LCD/OLED/SENSOR Technology Expo)

There will be featured sessions which cover the industry's hot topics such as Micro LED, In-vehicle Display and many more! (Pre-registration required, English/Japanese)

Reed Exhibitions Japan Ltd. will hold 29th FINETECH JAPAN (LCD/OLED/SENSOR Technology Expo) from 4th to 6th of December, 2019 at Makuhari Messe, Japan.

FINETECH JAPAN is the biggest flat panel display show in Japan where you can find the latest products, services and technologies in the industry.

Besides the exhibition, Technical Conference will be concurrently held, consisting of 20 display-related sessions. This time, the Keynote Session/Special Session are free to attend, **so any professional involved in the flat panel display is welcome!**

To attend, online pre-registration is required.

If you are interested in, please don't forget to save seats via the link below before fully booked.
